

**ST. MARY'S COUNTY METROPOLITAN COMMISSION**

**INFORMATIONAL PUBLIC MEETING ON**

**THERMAL EXPANSION TANKS**

**Location: MetCom Main Office –**

**23121 Camden Way, California, MD**

**Date: Tuesday, June 16, 2015 at 6:30pm**

MetCom will hold a meeting on backflow prevention devices which may be installed as part of the Water Meter Project, at residences which currently do not have a device in place. Backflow prevention devices are regulated at federal, state and local levels. The meeting will also address the recommended Thermal Expansion Tank, which may be optionally installed by the homeowner. Following the presentation of this information, a question and answer session will follow.

Should you have any questions about this information please contact David J. Elberti, P.E., Chief Engineer, at 301-737-7400 extension 316 or email at [amr@metcom.org](mailto:amr@metcom.org).
